

## BEEN TO SPAIN BEFORE? BARCELONA, SEVILLE, AND GRENADA AND THOUGHT YOU HAD SEEN THE "BEST OF SPAIN"

If you haven't visited Galicia, and all along Spain's north coast to Bilbao and San Sebastian; if past tours haven't included lunch at two Michelin starred restaurants; lunch amid the lush surroundings and aging cellars of some of Spain's finest wineries; if you only know Spain as the land of Paella and Jamon Iberico without dining on the freshest seafood in the world from Spain's north coast. If you haven't experienced the vineyards; the land and its people for 2 full weeks; then you haven't experienced the "best" of Spain!
